TOKELAND, WASHINGTON
MARCH 25 – 26, 2006**

**SWPR INVESTIGATORS: Desi, Kim, Fred, Angela, and Jan
VARIOUS OTHER PARANORMAL GROUPS WERE INVOLVED
IN THIS INVESTIGATION: APART, PACIFIC PARANORMAL, SPIRIT, and
WEST COAST GHOST HUNTERS!**

Southwest Washington Paranormal Research conducted an investigation of paranormal activity along with Washington State Paranormal Investigations and Research, Auburn Paranormal Activities Research Team, Pacific Paranormal Research Society, Spirit, and West Coast Ghost Hunters! at the Tokeland Hotel in Tokeland, Washington.

The investigation included five members of the Southwest Washington Paranormal Research and a large number of investigators from the above mentioned groups. Various equipment used in the investigation include: motion detectors, digital recordings, temperature readings, EMF detectors, and various digital cameras.

The researchers started the investigation by having the sensitive members of each group tour the building to find the “hot spots” of the building. Tech. members then followed using various equipment to gather information including temperature and EMF readings in the rooms upstairs.

Room 10, 63.3*; room ½, 64.5*; far bath at end of hall near room ½, 64.4*; room 8 67.8*; bath in front of room 8, 67.8*; room 7, 70.5*; room 14, 64.9*, and 63.6* in cubby hole in wall; room 6, 64.2*; room 5, 68*; room 15, 63.1*; room 16, 62.9*; room 17, 64*; area of hall way that jars left, 66.5*; room 3, 63.8*; room 2, 63.5*; bath closer to room 2; 65.8*; bath closer to room 1, 62.2*; room 1, 71.2*; room 18, 60.6*.

The following is a timeline of the events that occurred during the investigation:

10 pm Opening

10:10 pm Sensitive member of the team tour the upstairs area.

Sensitive feelings of “hot spots” ~ Room 1 – the sensitive member is drawn to above room one and the third level of that side of the building. In room 3, the sensitive member feels vibrations off of the vanity; the jar in the hallway were the hall turns; room 14 in the cubby hole in the wall; room 7 there is a presence felt of a woman pacing near the window; room 10 the mirror and vanity. The sensitive felt the presence of children as well.

10:24 pm End Sensitive tour of upstairs area.

10:40 pm EMF and Temperature readings taken upstairs

10:45 pm Desi and Martina feels light headed in room 10 and feel the presence of a man coming through the mirror of the vanity.

Kim’s clothing was tugged in room 14 around this time ~ exact time is unknown.

11:30 pm EMF is untraceable and off the scale in conference room ~ Temp 61.7*

The evidence gathered from the above mentioned equipment will be analyzed and posted on the web site.
